ST. MICHAEL  
1873  
SCHOOL

St. Michael School has provided its “tradition of excellence” to its students since 1873. The school is characterized by a dedicated and committed faculty, a curriculum that is rigorous and challenging, involved parents and motivated students. Our students are asked to think critically, utilize analytical skills, manage their time, and live their faith. They are required to participate in service projects to give back to the community and fully live the school’s motto: *Gratis Accepistis, Gratis Date*, freely you have received, freely you are to give.

Our graduates excel in high school and college, and become valuable members of the local and global community.

We at Saint Michael School are proud of 144 years of history and the students we graduate each year. We ask that you support our mission to continue our tradition of excellence.

*In memory of*

*Rita Y. Ahearn*
