

HELP THE PAWCATUCK NEIGHBORHOOD CENTER!

Every year the Girl Scouts do a Bronze Award. A Bronze Award is where you identify a problem in your community and help make others in your community aware of it so you can help solve that problem. This year several of us from Troop 840 have decided to do our Bronze Award for The Pawcatuck Neighborhood Center. So to get the community aware we decided to hold a donation drive.

If you are interested in helping us, The Pawcatuck Neighborhood Center said they needed the following items:

- toilet paper
- shampoo
- liquid dish detergent
- laundry detergent (the liquid kind)

The reason we chose these items is that The Pawcatuck Neighborhood Center has to buy these items every week if they are not donated.

You can drop off any of these items at the drop off bin at St. Michael's School, in Pawcatuck, CT. We will make 1 large donation on behalf of our Girl Scout Troop.

Thank you for helping your community-
Presley, Gracie, and Lauren
(Bronze Award candidates for Troop 840)
