

Dear Parent/Guardians of St. Michael School,

During the course of the year, different groups such as yearbook or newspaper photographers take pictures of our students in various activities and gatherings during and after school. Additionally, we would like to use pictures of our students on the website, Instagram or on our Facebook page; we will also be linking newspaper stories to our Facebook page.

I know that the safety and well being of every child is of the utmost importance. Therefore, I would like you to let us know if you would prefer not to have your child photographed or identified in articles about the school and its activities, or published on the website, Instagram or Facebook.

Please return the form below if you **do not give us permission** to use your child's photo and return it to the school by August 30, 2019.

Thank You.

Doris S. Messina, Principal
