

# Public Roster

Each year we put a Class Roster together which lists each child's name, parents name, home phone/cell number and family email. The reason for this is so that you and your child can get in touch with classmates and/or their parents to schedule after school activities, discuss homework, plan parties, etc.

In order to include your family on the Public Class Roster we need your permission.

Please fill out the information and send it back to school as soon as possible or email me back the permission granted with the information.
